

## **Micheladas | bites out of life**

- 1 12-ounce bottle of Corona, or other light beer
- 1-1/2 teaspoon of cayenne or spicy paprika
- 1 lime quarter
- 1 teaspoon hot sauce
- 1 teaspoon kosher salt
- large, chilled beer glass

1) Mix together the kosher salt and 1/2 of a teaspoon of the cayenne or paprika on a large flat surface. Slide the quarter of lime around the rim of the beer glass, making sure to coat the entire top of the rim. Place the top of the glass in the salt mix to coat it with the salt.

2) Pour the beer in the glass and add the remaining lime juice, hot sauce and spices. Drop the squeezed lime in and enjoy!
